² Account balances generate a monthly earnings credit allowance that can offset monthly maintenance and transaction fees.

³ Minimum opening deposit and minimum daily balance of \$25,000 to earn the stated 2.25% APY. If the account balance falls below the minimum, the next lowest tier's 1.25% APY will apply. If balance falls below the \$2,500 minimum daily balance for the lowest tier, there is a \$10 fee and the regular savings rate will apply until the minimum balance requirement is met.
